ESTABLISHED IN 1991

DISTINGUISHED BY EXPERIENCE
Since its inception in 1991, AFME has come to be recognized as a market leader in providing ELV solutions across the UAE and GCC countries. Through our continuous focus on innovation, AFME responds to client needs and challenges by offering bespoke and state-of-the-art products and services in the areas of parking management, pedestrian and vehicle access, visitor management, surveillance, law enforcement and high security systems.

AFME works on a wide range of projects across various sectors and countries in the region. We are part of a group of companies that collaborate to ensure that we meet present and future needs of our clients.

OUR MISSION

Providing our clients with innovative solutions inspired by change, distinguished by experience and sustained by quality.
WE ARE COMMITTED TO DEVELOPING LONG-TERM RELATIONSHIPS WITH OUR CLIENTS BASED ON INTEGRITY, EXPERTISE, RELIABILITY AND PERFORMANCE.
